Jason's slick tadpole trike - Minnesota

"This is my latest trike. It features a coaster brake for simplicity, and under seat steering. The seat is also adjustable. Enjoy. Jason (flyboy), Princeton, MN"

Warrior Racing Trike—Finished First Build

"Well, here it is 2 weeks from start to finish, all down to how clear the plans are. Thanx, Brad. Starting the next build as soon as I can." Read more and join the discussion: [Finished first build](#)

AZ newbie building warrior for distance ride

I will be building a warrior for a 600 mile solo charity ride. I have ridden bikes since I was 3 and due to some recent medical issues I am forced to ride something with 3 wheels. I found this and was immediately hooked. I will be using aluminum for the frame and a friend will be machining a lot of parts.

Coreflute Velomobile Constuction

Found this interesting photo sequence of a coreflute velo construction. Note the use of pvc pipe and fittings.

Imperial to Metric System

Last time I was in England, I bought a very high quality measuring tape with dual units. I LOVE IT.

Looks like this one.

Cycle-Re-Cycle First Bicycle Show and Ride

Benton Harbor, Michigan

WHEN: Saturday, Aug. 27, 2011. Show from 10 a.m. to 2 p.m., followed by a ride of about 5 miles to Benton Harbor's beautiful Jean Klock Park and beach on Lake Michigan and return. Registration starts at 9 a.m.

FOR: Classic cruisers; freak bikes; rat rod bikes; recumbents; vintage 10-speeds, BMX and mountain bikes; tall bikes; low riders; unicycles; your daily ride. If it has pedals, bring it.

WHERE: At Cycle-Re-Cycle, on Main Street in downtown Benton Harbor, behind the Citgo station and across from Michigan Works! Park motor vehicles in MW! lot. (If using mapquest.com or GPS, use MW! address, 499 W. Main St.)

WHAT: Cycle-Re-Cycle Southwest Michigan, started in 2010, is a not-for-profit bicycle shop and organization. Bicycles are donated, refurbished and sold at affordable prices. People, including kids, who cannot afford to buy a bicycle can earn credits and ultimately a bike by working at the shop. Proceeds from show and ride go to C-R-C.

COST: \$1 to enter the bike in the show, plus \$1 to participate in the ride. Free to kids 13 and under. If you want to bring bikes and/or parts to sell, fee is \$10.

AWARDS FOR: (1) best original or restored bicycle (no modifications), (2) best modified or custom bike and (3) best "daily ride" (that is, bicycle used for regular transportation or recreational riding). Judging will be "people's choice."

ALSO: If you have useable bikes and/or parts that you want to donate to Cycle-Re-Cycle, please bring them. Shop will be open regular hours, 10 a.m.-2 p.m. Show will be on paved parking lot with no shade, so bring sunscreen, hats, sunglasses and water. Food and beverages available nearby and possibly at the show.
